

Frome valley

This dynamic two-storey mixed-use building captures urban vibrancy and comfort all under one roof. Seamlessly combining commercial and residential units, it creates a unique living and dining experience that symbolizes the heart of city life.

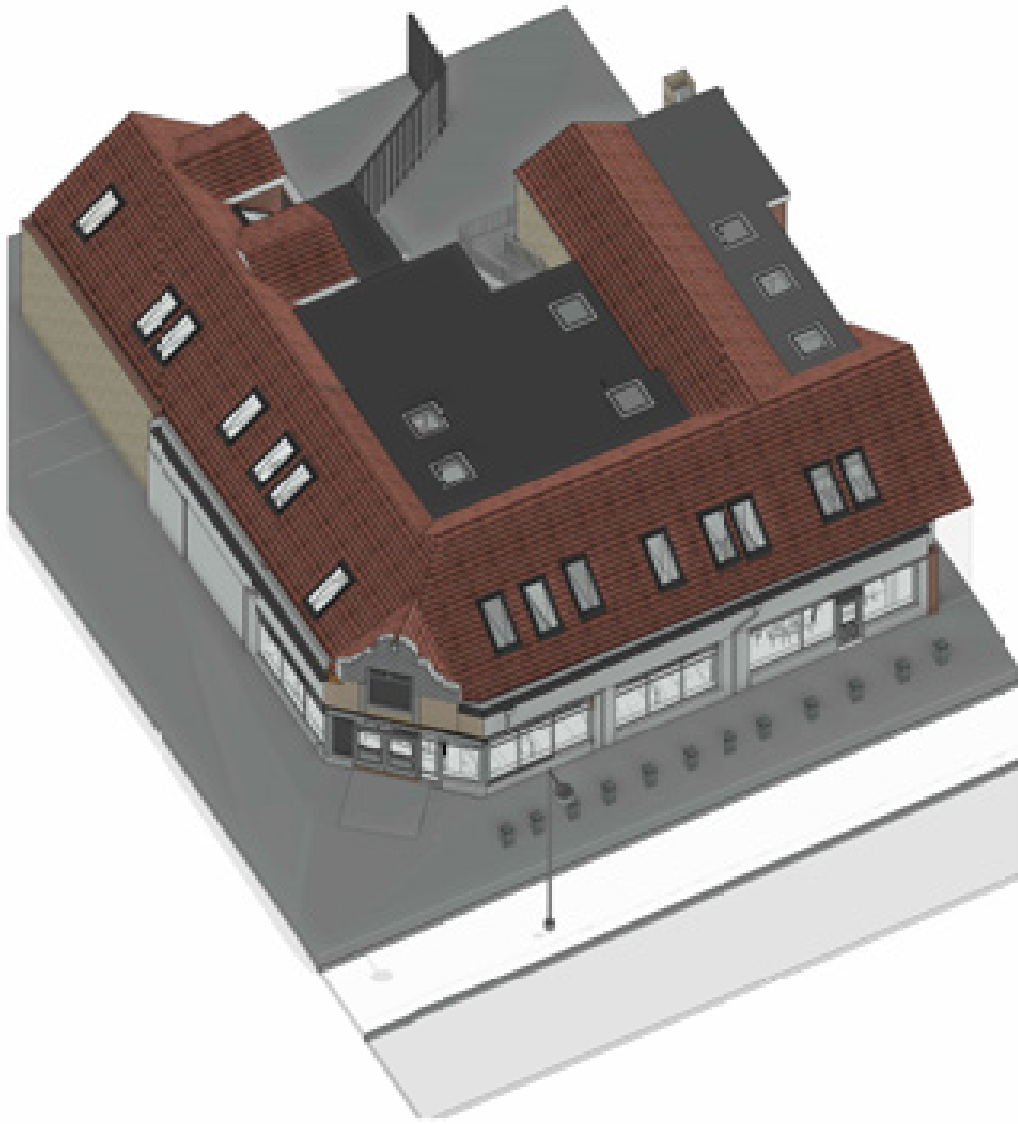

The ground floor is home to a bustling, contemporary restaurant that offers a feast for both the palate and the eyes. The space is characterized by an inviting atmosphere, with modern décor and an open layout that allows diners to witness the culinary magic unfolding in the kitchen. The restaurant strikes a balance between functionality and style, making it a go-to destination for food lovers in the area.

Above this gastronomic hub, the first floor hosts three residential flats, each offering a distinct living experience. The first unit is a cozy one-bedroom flat, perfect for singles or couples, featuring an open-concept layout that maximizes the use of space, creating a comfortable and stylish living environment.

Adjacent to this is a spacious two-bedroom flat, designed with a growing family or shared living in mind. It provides ample room for residents to live, work, and play, all while offering a comfortable retreat from the city’s hustle and bustle.

The crown jewel of the residential units is the three-bedroom flat. This generously-sized living space offers versatility and comfort. With its well-planned layout, it effortlessly caters to the needs of a larger family or a group of flatmates, ensuring each resident has their own private haven while sharing common spaces for bonding and interaction.

Each flat has been designed with meticulous attention to detail, ensuring that they are not just places to live, but homes that cater to the diverse needs of modern city dwellers. This mixed-use building, with its vibrant ground-floor restaurant and comfortable residential units, encapsulates the spirit of urban living.
